Phrase of the Week, from the Bounty hearings:

The illusion of experience.

Tasks for this week:

Progress report on wireless hydrophone on Monday--map out tasks needed to complete and deploy.

Re-cap of noise-to-distortion limits using measurements.

Homework:

Final list of tasks to complete instrument design projects.

Next Graded Exercise

Wednesday February 27 we will hold another in-class oral design review at the white board. Come to class prepared to contribute.
