ECE 222  Signals & Systems I
ece.pdx.edu/~ece2xx/ECE222

Dr. James McNames
mcnames@pdx.edu
Electrical & Computer Engineering

SHPE & NSBE
- Society of Hispanic Professional Engineers & National Society of Black Engineers
- First meeting: Feb. 18, 2003, FAB 155, 12:30 – 1:30 pm
- Will provide food and beverages
- First official meeting

Miscellaneous
- Recitation Sections
  - Laplace transforms are tricky
  - Next two review sessions will focus on Laplace transforms
  - Monday 4–5 and Tuesday 10–11, FAB 60-10 or nearby classroom
- Career Information Day 2003
  - Smith Ballroom, Wed., Feb. 12, 11 am – 4 pm
  - More info: http://www.career.pdx.edu

Lecture Overview
This Time
- Finish Laplace transform
  - Inverse transform
  - Partial fraction expansion
  - Examples
- Exam 1 back

This Time
- Begin circuit analysis with the Laplace transform
