Lecture Overview

Last Time
- One last convolution sum example
- Convolution integral

This Time
- Laplace transform
  - Definition
  - Properties
  - Examples

Miscellaneous Notes
- Homework assignments: write
  - First letter in last name
  - Code
  - Assignment number
  - Class (ECE 222)
- Exam 1 next Wednesday
  - Will cover everything through convolution integrals
  - Allowed one, single-sided sheet of notes
