

## ***Final exam Guidelines and rules***

*Final exam will be comprehensive with about 80% coverage from chapters 16, 17, 18*

- 1) Exam is closed book. Two sheets of notes (front and back) with equations is allowed. No worked out examples on the note sheet!
- 2) Exam is on Thursday (14 June), will start at 8 and end at 9:50.
- 3) You must write your name on the provided space on the first page of the exam sheet. Fill out the provided scantron sheet. Also, write and mark your name and student ID number on the scantron. Incomplete student identification (missing name or portions of ID number on exam paper or scantron) will result in 10% point deduction from the overall grade of the exam. Turn in exam sheet, scantron, and equation sheets at the end of the test.
- 4) You must bring your student ID to the exam session.
- 5) Class rules regarding use of Mobile devices will be enforced (including removal from the exam if the device makes any sort of noise).
