

# CS 346U: Exploring Complexity in Science and Technology

## Week 8 Assignment

Due Monday, November 25

**I. Reading:** Textbook, Chapter 14

### **II. Assignments to turn in**

Finish and turn in all assignments from Weeks 1 – 7 that you haven't done yet, and submit any missing online tests. Final deadline for these is Wednesday November 27.

### **III. NetLogo models**

Finish NetLogo Fireflies model from Assignment 7 (in class today). E-mail this model to me at [mm@cs.pdx.edu](mailto:mm@cs.pdx.edu). Flocking model is optional.

### **IV. Work on projects**

I will discuss project abstracts with you today in class.
