Dear Mr. Miller:

Thank you again for the opportunity to interview with CH2M Hill. I have included my application for employment and affirmative action information. I have also arranged for my official undergraduate and graduate transcripts to be sent to you directly.

I look forward to hearing from CH2M Hill after you and your staff have discussed your personnel needs. I am very interested in becoming part of the CH2M Hill team. As we discussed, I will be available for employment in August and should be prepared to make a decision regarding employment in April or May. If you require any more information from me, please contact me at 515-294-8103 (office) or [cmonsere@iastate.edu](mailto:cmonsere@iastate.edu).

Sincerely,

Christopher M. Monsere
