

"QUANTUM INFORMATION AND INTELLIGENT ROBOTICS"
Professor M. Perkowski weekly research meeting

During winter term 2005 we will be holding weekly research meetings. The goal of our weekly meeting is to promote the exposure of quantum computing and reversible logic to the PSU community. This term starts out with fundamentals so students with any background are welcomed and encouraged to attend. Feel free to just show up.

**EVERY THURSDAY 2:00 P.M. TO 4:00 P.M. WINTER TERM
ROOM FAB 155 (FACULTY CONFERENCE ROOM)**
