**Portland Spirit Dinner Cruise:** The AEWG and Portland State University are pleased to announce a dinner cruise on the evening of Tuesday August 5, 2003. The dinner will be the Conference's Awards Banquet.

We will be cruising on the Willamette Star, one of the popular cruise ships in the Portland Spirit line.

For the cruise, the AEWG will have exclusive use of the Willamette Star. The Willamette Star is currently being refurbished and will be completed this spring. The Willamette Star features two decks, the main deck has the dining facilities, the upper deck includes a bar (indoors) and observation area (outdoors).

The cruise will begin in downtown Portland, just several blocks of the Days Inn. The cruise route is along the Willamette River running south, including many of Portland's bridges and the picturesque river region directly south of Portland. The atmosphere is ideal for sight seeing and conversation.

Please direct any questions to Donna Koch, AEWG-46 Social Coordinator, at (503) 260-7686 or (503) 452-8529.

**Post Conference Event:** Interest has been expressed in seeing the Columbia River, Columbia River Gorge and Mt. Hood. A separate fee will apply. If you would be interested in taking part in a post conference day excursion with other AEWG participants on Thursday Aug 7, please indicate so on the registration form.
